

# Research Council on Mathematics Learning (RCML) 2021 Conference Proceedings Call for Papers

*Reestablishing Connections for Mathematics Learning*

**Submissions Due: October 31, 2020**

RCML is now accepting papers for review for the RCML 2021 Conference Proceedings. Submissions are due on October 31, 2020. The RCML Conference Proceedings are double-blind peer reviewed. To submit your proceedings paper for review, submit both a blinded and an unblinded version of your paper to [rcmlproceedings@gmail.com](mailto:rcmlproceedings@gmail.com) with “2021 proceedings submission” in the subject line. The author(s) should follow the proceedings format requirements, which may be accessed at <https://bit.ly/2kXA9ND>. We look forward to your submission.

The review timeline for the proceedings are below:

Submissions due	10/31/2020
Blinded papers to reviewers	11/16/2020
Completion of Reviews	11/30/2020
Papers with reviewer comments returned to authors	12/20/2020
Paper with edits in the revise and resubmit category & needing additional reviews	12/28/2020
Paper with edits due back to editor	01/15/2021
All proceedings edited and in final form	02/20/2021

**Important note:** The conference registration deadline is **January 20, 2021**. Lead authors are required to register by the deadline for their accepted paper to appear in the conference proceedings.

Please direct any questions to Hope Marchionda and Summer Bateiha at [rcmlproceedings@gmail.com](mailto:rcmlproceedings@gmail.com).
